

Index

Page numbers in *italics* refer to Figures. Page numbers in **bold** refer to Tables.

- Abbeystead (Lancashire) **467**, 475
Abbot's Cliff, Folkestone slope failure (Kent) 16, 69, 73
Aberfan (South Wales) 2, 3, 3, 16, **18**, 81, 106, *108*
Abergorchi colliery 106, **109**
acid mine water 338
acrotelm 245
actinon 433
active-layer detachment slides 265
activity, quick clay 208
adit mining 291–292
Afen Slide *70*, **70**
Airdrie (Lanarkshire) methane gas explosion **460**
ALARP concept 149–150
Alaska, Lituya Bay tsunami 63
Allderman's Hill (Derbyshire) 102
alluvium, effect on radon distribution 446
Alport Castles (Derbyshire) 97
Alum Bay (IOW) **18**, *129*
Ampthill Clay Formation 227
angle-of-draw, in coal mining subsidence 297
Anglian glaciation 259, 260, 262
anhydrite *see* gypsum and anhydrite
Anna Maria Arsenic Works (Devon) 345, 345, 346
anthropogenic geohazards 10, 116–119, 132, 134
Antrim County 82, 115, 119, 121, 134
Appley Bridge (Lancashire) **460**
Arden Sandstone Formation *406*
Ardyne Point 213
area-of-influence, in coal mining subsidence 297
Argyll Group, effect on radon distribution 446
Ariake Bay Clay (Japan) 205
arsenic mining 328, 330
asteroid impact, role in tsunamis 65
attenuation 49
Avachinsky, tsunamigenic activity **65**
avalanche *see* snow avalanche
Avonmouth (Bristol) 214
- Bacton (Norfolk) 134
Ballycastle (N Ireland) 82
Barrow on Soar (Leicestershire) 404
Barrow-in-Furness (Lancashire) 47, 56
Barton Clay Formation 121, 227
Barton-on-Sea (Hampshire) **83**, 108, *113*
bastard brining 373
Baswich (Staffordshire) 378
bat roosts 353–355
Bath 18, 82, 102, 129
Beachy Head (Sussex) **83**
Beacon Hill (Bath) 129
Beaconsfield (Buckinghamshire) 399
Beaminster Tunnel (Dorset) 16, **18**, 82
Becton Sand Formation *113*
Bedford United Mine, Cornwall 338
Bedfordshire **312**, 317, **390**
Bedwellty colliery flow slide **109**
beidellite **224**
Beinn Alligin rock avalanche 96, *100*
Belfast sleet 214
bell pits 292, 293, *294*, 314, *315*
Bellwin Scheme 147–148
Beltinge (Kent) **83**
Ben Attow 102
Ben Gorm (Mayo) *103*, *126*
Ben Lui Schist Formation *125*
Ben Nevis rock fall **18**
Benston, Loch of, tsunami deposits 67, *71*
bentonite clay 11, *263*
Berkshire 6–7, 8, **18**, **312**, 317, 318, **390**, *395*
Bilkely 371
Bindon (Devon) **83**, 121, 132
biplanar compound slide 105, *107*
Birches slide (Shropshire) 129
Birling Gap (East Sussex) *111*
Bishop Monkton (Yorkshire) 408
black shales 437, 439, 444
Black Ven (Dorset) 4, **83**, 97, 114
Blackbrook reservoir damage 47
Blackgang (IOW) **83**, 114, *114*, *117*
Blackhall (Durham) **83**
Blackwall Tunnel (London) 5, 6
Blaencwm **99**
Blue Anchor Bay (Somerset) **83**
Blue Anchor Formation *406*
bog burst 96, 102, **104**, 132
bog slide **104**
bogflow **104**, 132
Bolsover landslide (Derbyshire) 119
bord-and-pillar mining 292–293, *294*
Borrowdale Volcanics Group 264
Boscombe (Dorset) **18**
Bothkennar (Scotland) 215
boulders, subsurface 9
Bourville (Ebbw Fach, Blaina) 3, **99**, 119, *121*, *122*
Bovey Basin 327, 328
Bowland, Forest of 134
Bramfield (Hertfordshire) **460**
brammalite **224**
Branscombe Mudstone Formation 404, *406*
brickearth 20, 20, 188, 285
 characteristics 192–196, *194*, **195**
 defined 200
 maps *189*, *190*, *191*
 terminology **192**
Bridport Sands 82
Brierley Hill (West Midlands) 18, 84
Brighton Marina 135
brine extraction and subsidence hazards 29–30, 29

- brine springs 371
 Bristol Channel 65, **68**
 Brotherton Formation 406, **407**
 Buckinghamshire 268, 273, **312**, 390, 395, 399
 Buildwas (Shropshire) 3, 99, **99**, 101, 119, 129
 bulking, in coal mining subsidence 297
 buried periglacial terrains 285
 Burnhope Seat (North Pennines) 252–253, 253
 Burnley (Lancashire), coal mining subsidence 294
 Burton Bradstock (Dorset) 16, **18**, 81, 82
 Bury Hill (West Midlands) 18, 84
 Bwlch y Saethau rock fall **18**
- Cadeby Formation 279, 406, **407**, 408
 Cairndow (Scotland) 164, 168, 169, 170
 California, Fairfax **467**
 cambering 102, 105, **266–267**, 276–280, 278
 Camborne School of Mines 331
 Cambridgeshire **312**, **390**
 Camden Crescent (Bath) 18, 82
 Came Clay 215, 216
 Campi Flegrei (Italy) 1
 Canary Islands, as source for tsunami **67**
 capping 305, 306
 carbonate rock dissolution (karst) 30–32, 31, 32, **268–269**,
 284–285, 389
 features 392–395
 characteristics 392, 394, 394, 395
 engineering management 395–400
 UK occurrence 389, **390**, 391, 392, 393
 Carboniferous Limestone 119, 123, 436
 Caribbean, as source zone for tsunami **67**
 Carmarthenshire, Cwmdud slide **18**
 Carnon River (Cornwall) 338, 341
 Carrickfergus (NI) 373, 380
 Carse Clay Formation 214, 215
 Carsington Dam (Derbyshire) 5, 5, 261
 Carsington Pasture (Derbyshire) karstification 2
 Castle Hill (Kent) 3
 catotelm 245
 caves 392, 394, 408
 Cefn Glas colliery flow slide **109**
 celadonite **224**
 cemented layers 9
 Chale Cliff (IOW) **83**, 93, 108, 114
 chalk 314
 dissolution *see* carbonate rock dissolution
 hazards 6–7, 8
 engineering management 317–319
 mining and mine characteristics 27, 28, 28, 311, 314–317
 UK distribution 311–313, **312**
- Chalk Group 119, 389
 chalkangles 316, 316
 chalkwells 315–316, 315
 Chama Sand Formation 113
 Channel Tunnel Terminal 134–135
 channelized debris flows 19, 19, 164, 164
 Channerwick (Shetland) 102
 Chartley Moss 379
 Charton Bay (Devon) **83**
- Chellaston Quarries 411
 Cheshire **390**
 salt strata 29, 29, 369, 370, 370, 371, 372, 377, 377, 378,
 383, 384
 Cheshire Brine Subsidence Compensation Board 382
 Chilton Chine (IOW) 93
 China, Zhouqu debris flow 178, 179
 china clay, Cornwall 321, 326, 327, 331, 333, 353
 opencast mining legacy 337, 340
 Cilfynydd colliery flow slide 106, **109**
 clay 7, 9, 205, 274, 276
see also quick clay
 Clay Bank (Yorkshire) **99**
 clay minerals **224**, 225, 230–231, 231, 238
 Clay-with-Flints, effect on radon distribution 446
 Cleveland, dissolution features **390**
 cliff behaviour units (CBU) 106–108, 110
 cliff recession 16, 81, **83**, 99
 development classification 120–121, 124
 Cligga Mine, Cornwall 329
 climate change, impact on debris flows 179–183
 Cliveden, solution pipe 395
 Clwyd Cap 336, 337
 Clyde Alluvium 214
 Clyde Clay Formation 214
 Clyde raised marine deposits 217
 coal mining
 hazards 7, 9, 26, 27
 managing subsidence risks 301–304
 mitigation and remediation 304–306
 role of engineering properties 298–299
 subsidence classification
 longwall 295–298
 room-and-pillar 293, 295
 shafts and bell pits 293
 subsidence prediction 299–301, 299, 300
 methods
 adits, drifts, shafts 291–292, 293
 bell pits 292, 294
 longwall 293
 room-and-pillar 292–293, 294
 UK legacy 291
 coalification 463
