

Subject Index

- Adelaide, South Australia 55
aerial photography 29–31
 detection of solution features 127, 330
 identification of former shallow coalmines 133–136
 land-use planning, Hong Kong 591, 596
 landslide mapping 106, 155–161, 304–305
 pipeline route selection, Ireland 472
aggregates 54, 344–345, 569
 high quality roadstone 405–406
 mapping and assessment of resources 93, 347–353
 planning of resources, Scotland 586
 Regional Working Parties 51–52
 restoration after extraction 572–575
 see also quarries and quarrying
agricultural land
 classification 204–207, 569–575
 evaluation using pedological soil surveys 462
 for landfill sites, Merseyside 601
 planning, Scotland 203–207
 reclamation to 555–560, 579
 restoration to 544, 561–567, 572–575
Airdrie, Scotland 240, 242
Alaska 56
Aldridge/Brownhills, West Midlands 44, 87–94, 624
Alkerton, Oxfordshire, landfill site 495–502
Amman, Jordan 179–184, 191
Anchorage, Alaska 56
arbitration 629
arid regions, wind erosion in 19–20
Australia 55, 248, 299–300, 460, 463, 631
Avon 153, 221–235
Ayrshire 545–546

Bagillt, Wales 137–149
Banbury, Alkerton landfill site 495–502
Bangkok, Thailand 54
Barton Clay 85
Barton Cliffs SSSI, Hampshire 85
Bath, Avon 221–235
Bath Stone 226
Bathside Bay, Harwich 533–539, 578
Bedfordshire 507, 515
Benbain, Ayrshire 545–546
Berkshire 153, 289
Best Practicable Environmental Option (BPEO) 491
Birchington, Kent 84
Bishopstone Cliffs, Kent 83
Blaenau Ffestiniog, North Wales 619
boring and drilling 31–32
 pipeline route selection, Ireland 473
 sand and gravel surveys 348
 use of log data to assess ground stability 137–149, 192
Borneo, North 419–428, 485
Boston, Massachusetts 55
Boulby, North Yorkshire 341
Bournville, Gwent 617
Bowhills Formation 92

Bradwell, Essex 507, 515, 572–575
brick clay, Aldridge/Brownhills area 93
brickfields, Frindsbury 123
Bridgend, South Wales 173
Brighton, Sussex 166–167
brine pumping 26, 44
Bristol Coalfield, industrial development 439–446
British Coal 73, 270, 341, 344, 406, 485, 604, 609
